Introduction to Mr Craig Bulliment, our new Group Fleet Personnel Manager

We are pleased to advise that Craig Bulliment has joined Interorient Shipmanagement in the capacity of Group Fleet Personnel Manager. His predecessor, Mark Parrotte, has left the company to pursue an alternative opportunity.

Craig is a highly experienced maritime executive with a robust track record in the crew management sector. Over the last twenty-five years, Craig has worked for industry leaders in commercial shipping and oil and gas, managing vessel portfolios for blue chip clients with a hugely diverse spread of vessel types and seafarer nationalities.

Having been based in the Isle of Man, UK, Monaco and Germany with extended periods in Asia, Craig has managed large global teams providing best practice crew management solutions.

We are excited to have Craig with us and we are sure you will all join us in welcoming him onboard.
